

Cpl. Jas. Tanner Camp #134
Dept of NY SONS OF UNION VETERANS OF THE CIVIL WAR
Gerald T. Wright - Commander
The Schoharie County Civil War Monument Project

February 22 2011

Greetings

What would you think if over 280 people from Schoharie County lost their lives and nothing was done to commemorate their ultimate sacrifice? 150 years have passed and we, the citizenry of Schoharie County, have never erected a monument to those who nobly gave their lives for the Preservation of the Union and to abolish slavery in these United States. Current plans are to erect a Civil War monument at the Old Stone Fort in Schoharie with the dedication to take place on Memorial Day, May 30, 2011.

We are asking for your help in raising \$50,000 to make this a reality! With only a few short months until dedication day, we hope that you will act quickly to ensure that the memorial is ready. Keep in mind, success will only come through the generosity of citizens and businesses. No government or taxpayer funds are being sought. Please use the attached information to make your valuable donation.

The Committee thanks you for your kind consideration.

Sincerely;

Richard A. Sherman - Committee Chairman Schoharie County Civil War Monument Project

**MAKE HISTORY - BUY A COMMEMORATIVE PAVER!**

**The Cpl. James Tanner Camp #134 Sons of Union Veterans of the Civil War is selling granite pavers to help raise funds for the Monument Project and afford you an opportunity to memorialize an ancestor or have your family name included as one who believes in recognizing all the citizens of Schoharie County who sacrificed for the Preservation of the Union.**

Example 4" X 8"

Example 8" X 8"

Plans include a plaza and "Tribute Walk" flanked by the two cannons that have been gracing the front of the historic edifice for decades.

The inscribed plaza will carry forward the tradition started in 1772 by many of the donor of the stones that make up the Old Stone Fort walls.

#### ADOPT A VETERAN

Reminder - There are Civil War veterans of Schoharie County that will not have descendents to purchase a paver in their name and we are hoping that folks without ancestors will place pavers for folks without descendents. Please let us know if you would like to "Adopt a Veteran" and our researchers will provide you with a name.
